

Fokker 70 - Interior

The Fokker 70's maximum capacity is 80 seats at 31/32 in pitch. Many alternative seating arrangements are possible, e.g. a mixed class configuration with 12 First and 60 Economy class seats with full hot galleys.

The Fokker 70 is equipped with a downward opening door with integral stairs that are fully jetway compatible, thus enabling maximum operation flexibility.

Full economy seating, 79 pax @ 31/32 inch seat pitch

Legend	
A	Galley
AV	Avionics rack
C	Flight attendant seat
J	Stowage
T	Toilet
W	Wardrobe

The passenger cabin is spacious and offers over 2 meters standing height in the aisle. The 5-abreast seating, at typical load factors, offers a wide choice of seating arrangements not encountered on most regional jets. The cabin can optionally be equipped with LED lighting.
